Warm are the people's hearts.

Warm is this festival

Warm and helpfull are all  
the organisers and the staff

Warm and so nice to see are all  
the concertvenues

Warm sounds the music in these  
intimate places

Hot was this summer were I played  
Bach's cello suites

But I have real nice and "warm"  
memories of this very special festival.  
Thank you! *Paul Diebiers*

Dear Klemen,

Thank you and all your  
organisation for giving us a  
wonderful introduction to  
Slovenia.

We have been looked after  
in every way and played  
to the most enthusiastic  
audiences in the most far  
flung places. With all your  
help we have brought our  
music to the people. A very special  
thanks to Eva and Bojan.

Thank you.

Es war eine große Freude, in diesem schönen  
Raum zu singen. Die Messe von Dolat — ein  
Erlebnis — und der Choral haben perfekt  
harmonisiert.

Danke für die Einladung.

Quand on regarde les paysages de  
Slovénie, les lacs, les forêts, les vins,  
on croirait voir dans un roman du 19<sup>e</sup>  
siècle. On ne s'attend pas de voir une chaise  
transporter le bois, et on pourrait voir par là  
quelques nobles autrichiens, échappés de leur époque.  
Quel lieu plus idéal pour jouer Schubert, et  
quel chœur mieux adapté? Logez vite ce  
festival slovène!

Cari amici!

how great to play in your festival and to  
discover for the first time your beautiful  
country, Slovenia! I particularly enjoyed to  
play for in small concert halls, for a limited  
audience: it is the perfect opportunity for  
our repertoire! Thank a lot

your choices, your humanity and your  
passion are wonderful! Difficulties are  
enormous, but music stays a miracle!  
And with people like you, we can  
still do music...

Dear Kleiner & Tanya,

The third year is over! And what a year, full of surprises... Tonight the last concert in the most beautiful location...

"Tribulatio enim veritas"  
that we will be leaving again tomorrow...

Hope to see you again next year!

Dear Lelema and Staff

For us it is the fourth time visiting your festival. And any time you discovered new beautiful places to give concerts in; old places, under reconstruction, becoming beautiful on its own. Any time it is a great pleasure being here in your beautiful country, playing for a nice audience. And Anytime the Festival is perfectly organized!

Please proceed like this, and grow bigger and bigger. And when possible we like to be your guest again and again!

Hello Kema, Eva, Petra and all the people  
that makes possible to expand the beauty  
and love, with all of the good desires that  
music represents in the world. Our experience  
here is really nice. People at first seemed  
that they are close, but then when you talk  
to them, you see how they open their hearts  
to you. Our music goal here, is to transmit  
our love and energy through the music therapy.  
Also we want to unify through this music  
all of the cultures, with peace, music and love  
to our neighbours. We hope the best of it.  
In the other hand, here it's a really nice  
place, and the food and accommodation seems great.  
We wish you all the best and we are really glad  
to be here with you, giving a piece of our  
ancient culture for you. With love and harmony;  
person 25-06-10 ☺  
Craço Luvoso.
