Dear friends,  
Thank you so much for wonderful  
experience of meeting all of you  
and having magical time while  
performing at venues chosen  
so carefully.

We are more than delighted and  
flattered by the time spent in  
Florence and having new friends!

Looking forward to see you again  
soon and have more joint projects  
and concerts!

Love to meet you!

frásmě děkujeme za možnost  
kázat si k sobě na vašem skvělém  
festivalu. Kei předělení je o to  
větší, že jsme měli program  
Ella Mudda. Festivalu  
už dobře přeje Bern Bern ake.

It takes courage to be an artist.

But it also takes a lot of courage to work with artists. To support young projects, never sure of the results that can be attained - it is a work of hope and bravery.

Our group, our hopes were wonderfully supported and we were taken care of as new family members.

Art takes courage, but art builds families.

We feel that we have built one here.

Thank you for the courage you gave us and for the hope we can share together.
