Zadeva: Hudičev turn je pokal po šivih / Devil's Tower bursting at the seams

Včerajšnji večer so Hudičev turn preplavili sijajni zvoki avstrijske zasedbe Hortus Musicus. Sekstet odličnih vokalistov je predstavil sakralno glasbo skladatelja Carla Gesualda z začetka 17. stoletja, znanega tudi kot kneza Venose in morilca svoje žene ter njenega ljubimca. Dogodek so s svojimi lokalnimi proizvodi obogatili Društvo podeželskih žena Dolenjske Toplice in Društvo vinogradnikov Dolenjske Toplice. Občudovali smo skrivnostnost Hudičevega turna, uživali v vrhunskih glasbenih mojstrovinah in okušali lokalne dobrote.

Zvočni posnetek koncerta, ki ga je posnel Radio Slovenija, boste lahko kmalu slišali na programu Ars. Za več informacij ostanite na tekočem na naši spletni strani!

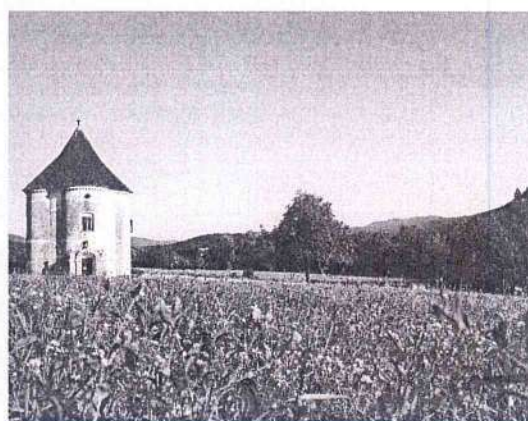

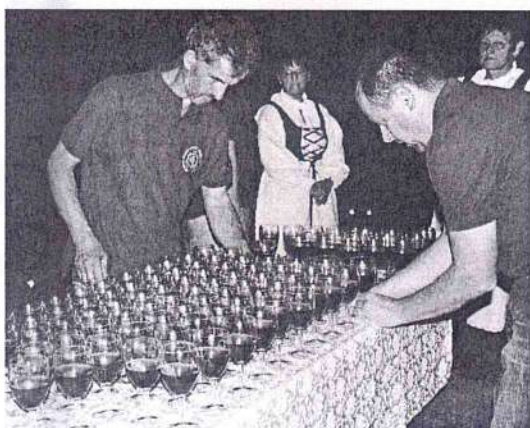

Najlepša hvala vsem obiskovalcem za obisk in odlično vzdušje, sponzorjem pa za podporo. Se vidimo na naslednjih koncertih!

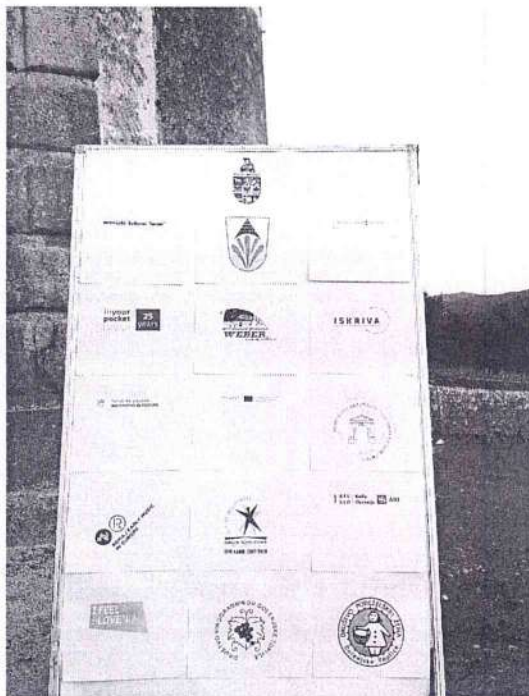

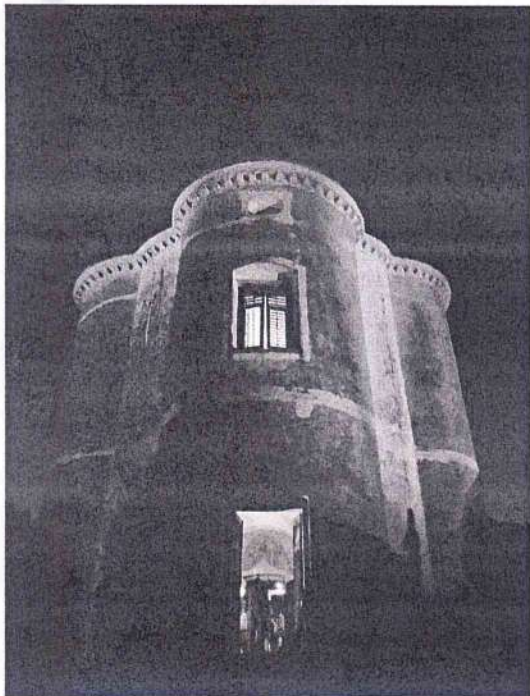

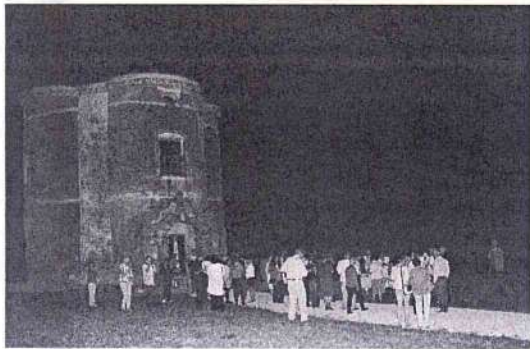

Yesterday evening, Hudičev turn (Devil's Tower) was overflowed with the magnificent sounds of the Austrian ensemble Hortus Musicus. The sextet of superb vocalists presented a repertoire of early 17th century sacred music composed by Carlo Gesualdo, known as the Prince of Venosa and murderer of his wife and her lover. The event was enriched with the local produce by the Dolenjske Toplice Society of Countryside Women and the Dolenjske Toplice Society of Winemakers. We marvelled at the wonders of Hudičev turn, enjoyed the superb musical masterpieces and relished the local delicacies.

The audio recording of the concert made by Radio Slovenia will soon be broadcast on the Ars Programme. For more information, keep visiting our website!

Our sincerest gratitude goes to all visitors for coming and creating a magical atmosphere, and to our sponsors for supporting us. See you at future concerts!
