Appeal for help

Dear Slovene National Youth Orchestra,
Dear Mr. Peršuh,
Dear friends in Slovenia,

Due to the terrible situation due to Russia's war against Ukraine - destroyed buildings and infrastructure, constant shelling and bombing of cities, acute humanitarian crisis -

We, the Youth symphony Orchestra of Ukraine/YsOU, kindly ask you, as a friendly youth orchestra, to organize the evacuation of our youth orchestra (about 60 members and mothers with young children) to a safe place in Slovenia, where our young musicians can find safety, shelter and the opportunity to play together again.

Your help will be very appreciated!!!

With our best wishes,

Oksana Lyniv,
international conductor, artistic director of the YsOU

Alexandra Zaitseva (Darian)
director of the YsOU
