Our 2020 programme is already published at https://www.seviqc-brežice.si/program-2020.html</p> <p>Nova Schola Labacensis is performing in Brežice on Wednesday, 19 August 2020 at 20:30 with the programme Aure volanti, wandering breezes, responding to the frescoes of the Knight's Hall. Before concert, at 19:00 there is a chat with artists. Admission to the chat and concert is free of charge, only reservation to info@k-ramovs.si are required.</p> <p>The program, in the desire to illuminate the mythological frescoes of the Knight's Hall of Brežice Castle, connects the Arcadian summer breezes that blow from the North to the South, from the dance-playful music of the Dutch "golden age" to the Italian Renaissance and Baroque musical tradition with Greek mythology-inspired songs: from Dance of Hercules, Mourning of the Nymph, shepherds on the hunt, lovely shepherdesses, sleepy Galathea, dreaming Alcyone, lovely villanellas by Monteverdi, Susato, Kapsberger, van den Hove and Gorzanis to the charming chant Aure volanti from the musical drama by Francesca Caccini.</p>
