<p>8) 31.8.2020 4:01</p>	<p>video</p>	<p>https://www.youtube.com/watch?v=rOjHhS5MtvA</p> <p>We have successfully completed this year's Seviqc Brežice (www). Exceptional problems and great success. The victory of will and spirit, and above all eternal Art. We also celebrated Ludwig van Beethoven's 250th birthday with a special concert. His message is part of each of you, each of your joy and pain down in this glorious work. Great performance is given to us by maestro Riccardo Muti and the Chicago Symphony Orchestra and Chorus.</p>

9) 31.8.2020 23:53	video	<p>https://www.youtube.com/watch?v=52r9wxPgRoE&feature=youtu.be</p> <p>I am sending you a shockingly beautiful recording of Monteverdi's madrigal Lamento della Ninfa performed by the Slovenian ensemble Nova Schola Labacensis at the Seviqč Brežice festival, on Wednesday 19 August 2020 in the famous Knight's Hall of Brežice Castle. The concert was recorded by Radio Slovenia, the concert list can be found at https://www.seviqc-brezice.si/publikacije.html, and the excellent critique of Franc Križnar at http://www.sigic.si/ansambel-nova-schola-labacensis-na-seviqc-2020.html. I am personally especially proud of the top performance of the Slovenian ensemble under the direction of maestro Boris Šinigoj. Seviqč Brežice is a national program for the development of early music in Slovenia, which connects European early music with Slovenian cultural heritage.</p>
