In this unusual year, he took us through the only summer festival in Europe to such an extent and thus enabled top performances by Slovenian and foreign artists. In just over two months, as many as 70 events took place, more than 2,500 performers and more than 25 countries, and the events were attended by almost 20,000 domestic and foreign visitors. We listened to the famous Anna Netrebko, Jonas Kaufmann, Charles Dutoit, La Scala Philharmonic Orchestra, and many others. I am happy and proud that the Festival Ljubljana managed to hold another exceptional festival summer, despite all obstacles. Voting takes place between 21 and 27 December.</p> <p>#ljubljanafestival #festival #culture #cityofljubljana #summerfestival #events #music #ballet #opera #theatre #performance #summerinljubljana</p>

It differs from similar institutions mainly by its long tradition and involvement in international cultural and artistic circles. Festival Ljubljana preserves the tradition and contributes to the high reputation of Ljubljana on the world map of festival cities and enriches the tourist offer of the city. One of its guidelines is: "Our basic mission is a good programme; cultural tourism should be its consequence."
