

Lokalna sredstva - pregled

Pri vsaki občini je v prvi vrstici vrednost programa (P), v drugi velikost lokalnega sofinanciranja (Sofinciranje), v tretji delež lokalnega sofinanciranja (%).

Za leta 1997-2009 vrednost programa po dogodkih se ni razdelana, navedeno je le celotno sofinanciranje programa v posamezni občini, izveden program je naveden v tabeli X.

Če so za posamezno leto polja v posamezni občini prazna, to pomeni, da v tej občini nismo imeli programa.

Če je sofinanciranje označeno z 0, to pomeni, da smo v tej občini izvedli del program, sofinanciranja pa ni bilo.
